

HT**CAPITAL ADVISORS, LLC**

May 1, 2006, New York --HT Capital Advisors, LLC Successfully Concludes Sale of Controlotron Corporation to Siemens AG.

After screening potential acquirors in the United States and Europe, HT Capital successfully orchestrated the sale to Siemens Energy & Automation, Inc. of Controlotron Corporation, a recognized global leader in the manufacture of non intrusive, ultrasonic flow measurement devices for the oil, gas, water and waste water, HVAC, energy and pipeline industries.

Controlotron Corporation is uniquely qualified, with more than 40 years of experience, to provide liquid and gas flow measurement solutions for a multitude of industries and has the largest installed base of ultrasonic flowmeters worldwide.

Siemens is one of the largest global electronics and engineering companies with reported sales worldwide of \$96 billion in fiscal 2005. Siemens' Energy & Automation unit in Georgia, manufactures and markets one of the world's broadest range of electronic products.

HT Capital is a private investment banking firm based in New York with offices in Chicago and Paris. The firm specializes in middle market mergers and acquisitions, private placements, recapitalizations, restructurings, valuations and management buyouts.

For more information please contact Philippe de La Chapelle, C. A. Burkhardt or Eric Lomas at 212/759-9080 or visit our website at: www.htcapital.com.
