## **HT Capital Advisors, LLC Advises on the Merger of Two Leading Companies in Litigation Support and Document Outsourcing Services**

**NEW YORK, NY** – June 8, 2007 – HT Capital Advisors, LLC is pleased to announce that its client, Skyline Legal Technologies, has completed a merger with Document Technologies, Inc (DTI). Skyline Legal Technologies is a New York-based leader in document management services that provides a wide range of litigation support services to the New York legal community. Document Technologies, Inc. is a comprehensive document and technology solutions provider for legal professionals and select corporate clients. The merger went into effect June 1, 2007. Terms of the transaction were not disclosed by the parties.

HT Capital Advisors initiated this transaction and served as financial advisor to Skyline Legal Technologies. The HT Capital team worked closely with Skyline Legal Technologies' management to explore strategic alternatives and coordinate the sale and negotiation process. "We are pleased to have advised Skyline Legal Technologies in its efforts to realize its full growth potential and join a leading national litigation support company with common business goals and philosophies and a complementary profile. The combined company will be one of the nation's largest independent providers of litigation support and document outsourcing. HT Capital plans to continue pursuing M&A advisory opportunities working with leading companies in the business services sector and welcomes inquiries from litigation support companies" stated Sharif Tanamli of HT Capital who led the transaction.

### **About Skyline Legal Technologies**

Founded in 1994, Skyline is a leader in the legal technology industry, providing document management and litigation support services. In 2006 *AmLaw* named Skyline among the industry's top ten litigation support service bureaus. Based in New York, Skyline Legal Technologies supports clients throughout the U.S. delivering litigation and case management support services including document reproduction, scanning, printing, coding, indexing, data gathering, computer forensics, electronic discovery and trial presentation support.

### **About DTI**

DTI is a national end-to-end legal solutions provider, furnishing top law firms and corporate legal departments across the United States cost effective e-discovery, web hosting and document production services. With 26 production facilities across the country and a National Technology Center in Atlanta, GA, DTI processes and hosts millions of electronic records, and scans, codes and blows back millions of hard copy documents.
