

For Immediate Release

New York, NY-- March 2016

HT Capital Advisors, LLC is pleased to announce that Steven M. Rathbone has been promoted to Managing Director. Mr. Rathbone has been with HT Capital Advisors since 2007. He specializes in middle market merger and acquisition assignments. Mr. Rathbone has extensive experience with domestic United States transactions as well as specialization in cross border transactions with Australia and United Kingdom based companies.

Mr. Rathbone is a tireless advocate for our clients and has received numerous accolades from satisfied owners whom he has represented. He continues to expand the Firm's reach into specialized and consolidating industries.

Mr. Rathbone is a supporter of several charities and initiatives which support children and young people globally, including *World Vision*, a charity organization dedicated to working with communities worldwide; *Youth Beyond Blue*, an Australian initiative focused on mental health support for young people; and *Bears of Hope*, an initiative providing support for families who experience the loss of a baby.

Feel free to contact Mr. Rathbone directly to explore ways in which he might assist you in your corporate development needs. He can be contacted via email at srathbone@htcapital.com or 212/759-9080 x119.
